Subject: Notification of Approval on Readiness and Preparatory Support Programme Proposal for the Green Climate Fund – [Grant Reference Number KHM-RS-005]

Excellency,

I present my compliments to the Ministry of Environment of the Government of the Kingdom of Cambodia and have the honor to convey that the Green Climate Fund (GCF) Secretariat has approved the Readiness Proposal for the Kingdom of Cambodia, officially submitted on 17 July 2020 with the National Committee for Sub-National Democratic Development Secretariat (NCDDS) as the delivery partner.

I am privileged to convey that the proposal was approved on 15 December 2020 for the amount of USD 517,000 for “Support to Direct Access Entity in Cambodia to meet accreditation conditions.” A copy of the proposal is attached for your reference.

The GCF has engaged the United Nations Office for Project Services (UNOPS) for grant management support to the Readiness Programme, including the establishment of a grant agreement, performance monitoring and disbursements for the amount of USD 517,000 under the agreement. UNOPS will now directly engage with you and your delivery partner concerning the establishment of the agreement as well as monitoring and payment activities. NCDDS will shortly be contacted by a representative of UNOPS.

We remain at your disposal should any assistance or additional information be required. We stand ready to respond to any queries your Ministry may direct to email: countries@gcfund.org.

I look forward to continuing a fruitful collaboration with the Government of the Kingdom of Cambodia. Please allow me this opportunity to renew to your Excellency the assurances of my highest consideration.

Yours sincerely,

Yannick Glemarec
